TO ADVERTISERS. The circulation of the Lally and Tri-Weekly editions of the Patriot, combined, exceeds largely that of any other newspaper printed in Nashville. It is these editions that are generally used for advertising The Patrice therefore, is the best advertising medium fa the city.

AGENTS FOR THE PATRIOT. Ma. E. R. GLACTER has been appointed our agent for this city. He is authorized in collect the accounts, notes, Ac.,

advertising and Job Work. Ma R. P Moss is our travelling agent, and is authorized to receive subscribers, and to collect all monles due us out of Davidson County.

No Eastern Matt .- Owing to the failure of the night train, on the Western Atlantic Railroad nigh before last, to connect with the Nashville and Chat tanooga Rai road, we received no Eastern mail last night. The delay was in consequence of running off the track, at a place 18 miles below Chattaneega, called Ringgold.

The Robertson Dramatic Club gives an entertainment to-morrow night at the Nashville Theater. It will not be forgotten that this Club rendered essential service to the cause of humanity during the past severe winter. We trust that the house will be well fisled.

THEATER -The Spring season at that Nashville Theater commences on the 23d just. Mr. Couldock has been engaged and will appear at that time,

not c d, that the Cairo packets will, after Monday next, run from this city to Memphis. The J. G. Cline leads off on Monday next. We learn that this st p is in consequence of the failure of the Caire and New Orleans Mail service to perform its engagements.

HARPERS MAGAZINE FOR MARCH -Chas. W. Smith has received those Harper Magazine which have been setanced. This will be good news to these who have been paitently awaiting their arrival.

"ON THE SHELL."-It is believed by many (and these is some plausibily in the belief.) that the "City of Rocks" is built upon a shell of rock, and that a short distance beneath are numerous and vast caverns. To say nothing of caves in this vicinity which have long been known to exist, we frequently hear of the discovery of holes by persons making excavatious. Several have recently been

ANTHRACITE COAL -It will be seen by refaring to our advertising columns, that A. Hamilton has a quantity of the above coal. It will be recollected that Ulicap cles of coal burns with intense heat and without smoke, and lasts a great deal longer than

HARMONIA CLUB.-The opening Soirce of this Club at their new Hall will take place on Thorsday night next, instead of to-night. A variety of ent resimments will be given. Tickets may be obt ined of Mr. Giers at his gallery, on the corner of Deaderick street and the Square, over Browne's Clothing Emporium.

Our readers will do well to notice the advertisements in another place of McKenzie & Wilson, and many of them wil doubtless see articles enumerated which they are in want of.

PUBLIC DOCUMENTS. -- Hon, F. K. Zollicoffer has our thanks for valuable path's documents.

BROWNE'S BAZAAR -Our friend Sponsler at Browne's Depot of fashionable goods for gentleman's wear has returned from the East with a large stock of supero Spring and Summer cloths &c , for our fashionable masculines to dress themselves up in "dae trig frae top to toe." In passing there yesterday we stepped in to see

the new and nice things which the stock comprises. They are indeed very fine. That justly famous representative of the equine species which Mons. Browne uses to advantage in displaying his goods is more richly comparisoned than ever, and literally shines with material of splendid styles and beautiful patterns from which suits of "harness" of necessary for these who desire anything in this line | good article at low prices.

THE STREETS -Many of our streets and alleysthe latter particularly -- are sadly in want of a thorough Spring cleaning, and it is hoped that the commencement recently made by the proper authorities will be vigorously prosecuted until all of our thoroughfares are placed in a most thorough | tract affording an abundance of wa'er the dryest season. sanitory condition. Nashville. Our late visit to Nashville was indeed a pleasant one. We spont the entire week in "bobbing around" among our ol I triends and picking up items of interest here and there for the latermation and edifi-

carion of the readers of the Ind-pendent. We found the city considerably more "spread out," than it used to be. Its stakes have been removed and strengthened, its cords lengthened, and its bonds increased, and while its limbs have been extended, it is gratifying to see that the interior of the city has not been neglected. It has grown much in beauty and importance, and continues to improve every day No city within our knowledge s growing like Nushville. Where but yesterday unsightly smoked and diety looking buildings squate ted along the streets, now may be seen splendid edifices tow-ring up in grandeur. THE REIGN OF ART .- In this wonderful age, Art lays her master touches o. almost everything. The ceilings over us and the carpets we tread on, are hallowed by Art. Art winds the rallway through the mountains and the mud; makes her machines of wood and iron, to act as if with knowledge and annihilates space with lightning tamed down to the tuteledge of a boy. Nothing is too lefty for her touch Corrox-The market yesterd sy was comparatively quiet, and nothing too humble. A new proof of this old conviction owing to the light offerings. We heard of sales of a few has just fallen under our notice, in the shape of a Carnanric Pill, from the Laboratory of that world renowned Chemist, Dr. C. J. Aven.
